

ATELIER BRÜCKNER

EXHIBITION DESIGNER / INTERIOR ARCHITECT (M/W/D), START IMMEDIATELY

ATELIER BRÜCKNER is a leading design office for museums and exhibitions, architecture, Expo pavilions, brand and visitor centres such as the Grand Egyptian Museum in Cairo, the Museum of London or the Germanic Nationalmuseum. As general planner, we cover all design phases and disciplines – exhibition design / fit out, architecture, scenography, graphics, lighting, media and content. We work in interdisciplinary project teams with 130 designers and architects from diverse design and cultural backgrounds. Following our philosophy "form follows content" we aim to communicate content in new fascinating ways by generating spatial atmospheres, which take the visitor on a journey along a narrative pathway.

Job description:

ATELIER BRÜCKNER offers a job for an Exhibition Designer / Interior Architect who loves planning, detailing and realising great concepts for exhibitions across Europe. We are looking for an ambitious, open-minded person with a passion for design and realisation and a very good knowledge of German and English (other foreign languages, especially French, are an advantage). Entry is possible both for career starters (AIP) and those with experience.

Start as soon as possible. Working place is Stuttgart/ Germany. Travels to the project venues will take place.

YOUR TASKS:

- Planning through all design stages from concept and detail planning to tender, supervision on site and documentation for national and international exhibition projects through all service phases
- Work within in-house project team (interdisciplinary design team) and all parties involved
- Collaboration with other planning partners and contractors throughout the project
- Communication with client and other project stakeholders

YOUR PROFILE:

- Successfully completed university studies in the field of interior design / architecture / scenography
- 2-3 years of experience as a designer/ architect of international exhibition design in all design stages including detail planning, tender and construction
- Very good design skills, technical understanding and aesthetical qualities
- Absolutely fluent in English and German both in writing and speech; other languages skills welcome
- Proficiency in our CAD, graphic and standard office programmes (VectorWorks, Rhino, Adobe, MS Office on Mac)
- Interest in international & interdisciplinary exhibition design, scenography and architecture based on the

Museum of London

Grand Egyptian Museum, Gizeh

WE OFFER:

- A versatile and responsible workspace in a creative work environment
- An area of responsibility with a lot of creative freedom
- Collaboration in an agile design and conception team of 130 employees from 15 disciplines (architecture, design, media, dramaturgy, humanities) from 30 countries
- Annual excursions, architecture visits and office events
- In-office lectures and further training opportunities
- Work in the lively environment of a large office, strong team spirit
- Open communication culture within a flat hierarchy
- Flexible working hours
- Very good office infrastructure, library, massage service
- Good public transport connections and underground parking for bicycles
